Sra. Patricia Garcia-Escudero Marquez

We are glad to invite you to the ISIF'16 (Istanbul International Inventions Fair) between "03-06 March, 2016", at the Istanbul Congress Center, TURKEY.

The Project ISIF'16 is an international melting-pot of business contacts, a high-powered cosmopolitan hub where East meets West, a blend of different cultures and a magnet for high-power investment. Global players of the innovation, inventions and financing world will meet here for presentation of their products, services and companies and establish new business contacts.

The purpose of the ISIF'16 Project is,

1. Exhibiting new products and innovations
2. Engaging inventors with business investors
3. Creating new funding opportunities for new product developments
4. Enhancing business network

This international project, which takes place in Turkey first time, will be under the patronage of **International Federation of Investors' Associations (IFIA)** and organized by **Anatolia Inventions & Inventors Association (ABDER)**. The hosts of the event will be, Turkey's sole and the most important institute in terms of inventions, **Turkish Patent Institute** and **Ministry of Science, Industry and Technology of Turkey**. Business Angel Networks from Turkey, **Galata Business Angels** and **TR Angels** as well as **Endeavour TR**, a global entrepreneur support organization, will be there to see your products and ideas to make investment. Currently those networks have more than 60 business angels. Moreover, we are still working on confirming more investment networks to be a stakeholder in our project. We will inform you in our website as soon as we get confirmations. On the other hand, among our visitors there are already big players of major industries, such as pharmaceutical, automotive, ICT, construction, manufacturing and etc. confirmed.

It is an honor to see you among our major stakeholders such as, reputable universities, research institutes, investors, and relevant NGOs' in ISIF'16 where there will be not only a fair but also series of events such as B2B meetings in separate **Investment Zone**, opening and closing ceremonies, workshops (including **WIPO, TPI** and **LES**), award ceremony and "2nd IFIA World Congress" as the joint activity of ISIF'16.

You can also get detailed information from the event's web site www.istanbul-inventions.org

Deadline for the all process is *18th of December, 2015*. Please, inform us before *18th of December, 2015*. If any question arises, ISIF'16 organization secretariat will gladly answer your questions.

Kind Regards,

Mr. Alireza RASTEGAR
President of IFIA

Mr. Koray SAHIN
President of ABDER & ISIF'16 Organization Committee
