

SPANISH PATENT AND TRADEMARK OFFICE

EUROPEAN PATENT VALIDATIONS.

Instructions to fill in the forms to accompany the translations

All the boxes in the forms should be completed. Regarding Box nº 6 (Representative), it may be left in blank when the applicants or proprietors act before the Office by themselves.

Box 1: Identification of the European Patent. Application Number. It will be indicated in a complete form, including the control digit. The publication number must be indicated followed by the publication code: A1, A2, B1, B2, B8, etc.

Box 2: Title of the invention in Spanish. The title to be translated is the title that appears in the mention of grant in the European Patent Bulletin.

Box 3: Patent's proprietor identification: Name or official company name. Unless a change in the name of the proprietor has been registered between the publication date of grant and the date in which the translation is filed before the Spanish Patent and Trademark Office (O.E.P.M.), names or official company names shall be indicated as they appear in the grant publication. If the European patent has more than one proprietor, it will be possible to use additional forms.

Data of the proprietor or applicant. The following fields are to be indicated in complete and correct way:

Dirección postal: Address (street, numbers, etc)

Código postal y localidad: (city and postal code)

Provincia: (province, region)

País Residencia: Country of residence

Código país residencia: Code for country of residence (DE, FR, GB, GR, IT, etc.)

Dirección de correo electrónico: e-mail address

Teléfono: Telephone

Indicación del medio de notificación preferente: preferent means for notifications: postal mail or e-mail.

Box 4: Representative identification. If the patent's proprietor acts by himself, it should be indicated in the box "*El solicitante no está representado*". If not, the full name and the complete address of the representative shall be indicated. It shall also be indicated if he is an Industrial Property Agent or other kind of representative.

Box 5: List of documents attached to the translation. Following boxes must be crossed with a "X" to indicate the documents that are filed with the translation:

Primera página del fascículo de patente europea publicado por la OEP:
Copy of the cover page of the European patent specification.

Traducción del fascículo de la solicitud de patente europea, Nº de páginas:
Translation of the specification (translation itself of description and claims), and the total number of pages.

Dibujos: Drawings (if necessary), number of total drawings pages

Documento de representación: Authorization or Power to the representative

Justificante del pago de las tasas: Voucher (payment fees).

CD o disquete: CD, diskette or DVD

Otros: Other documents

Firma del Titular o representante: Signature of the applicant/proprietor or his representative. The form shall be signed by applicant/proprietor or his representative, and it shall indicate the full name of the signer. In addition, regarding legal entities, the person signing the form must indicate the capacity under which he/she is acting (director, manager, advisor, etc.)
